OFFICIAL DECLARATION OF THE REPRESENTATIVE AMBASSADOR

WORDS FROM THE AMBASSADOR

“I Mudita Roy, ambassador of ARMSCON’24 would like to say it was a pleasure organising the facility for my college students to attend this fabulous fest.

Our college has been a proud participant in this fest since years, and this year, me being the representative ambassador, had to put my foot forward and make my efforts count so that our new batch students along with the old ones don’t get disappointed.

There were many challenges through our way but with co-operation of our college management and our faculty members we could pull this off.

I couldn’t let the students miss this life-time experience to attend the DIVERSE PERFORMANCES, ENGAGING WORKSHOPS, CULTURAL EXCHANGES and ENTERTAINING NIGHTS at the prosperous college, PGI ROHTAK.

Overall, it was an incredible fest and it takes a lot of courage and hardwork as an ambassador to pull an event of 4 days with 59 students like this and I am really glad with my efforts and seeing my college students happy.

A strength of 59 students participated in the fest in various workshops and other cultural events. We were thrilled to take such an amount of students along with us, thanks to our college management for arranging all the facilities needed by the students for this life-time experience.

The fest provides a platform for our students to showcase their talents, learn from others, and network with their peers.

Congratulations to all the participants and the winners in various competitions, your efforts are really appreciated and we look forward to participate, seeing you win and make our college proud more and more.”
