BLOOD DONATION CAMP REPORT

Organized by Youth Red Cross Unit (YRCU)

Venue: Blood Bank, Al Falah Hospital

Date: 8th April, 2025

The Youth Red Cross Unit (YRCU) of our college successfully organized a Blood Donation Camp at Al Falah Hospital, aimed at promoting the spirit of humanitarian service and raising awareness about the significance of voluntary blood donation. We are thankful to **Vice Chancellor, Prof. (Dr.) Bhupinder Kaur Anand and Registrar, Dr. MD Parvez** for the inauguration of the blood donation drive by ribbon cutting ceremony at the blood bank.

The event witnessed active participation from various members of the institution. **A total of 21 students from our college stepped forward to donate blood**, displaying great enthusiasm and a strong sense of social responsibility. The donors were from MBBS Batches 2021, 2022, 2023 and 2024. Their contribution will undoubtedly help save many lives and stands as a testament to the compassion and commitment of today's youth.

The camp was efficiently managed by Staff Convener and Programme Officer Incharge, **Dr. Shweta Sehgal** and 8 dedicated YRCU volunteers who handled organizing and on-ground coordination: **Mahekk Patel, Ali Ahmed, Mudita Roy, Naisha Behal, Aaila Khan, Tushar Bhatnagar, Diyaan, and Aadyut**. Their teamwork ensured a smooth and successful event.

In addition to collecting blood, the camp also aimed to spread awareness about the importance and health benefits of voluntary blood donation. Informative materials and one-on-one interactions helped promote this vital cause among students.

We extend our sincere gratitude to the Department of Pathology for their support in completing the camp successfully, the blood bank staff for their skilled services, the gardener for maintaining a clean and welcoming environment, and the refreshments provider for ensuring that all donors and volunteers were well taken care of. Special appreciation goes out to all the student donors and YRCU volunteers whose efforts made this event truly meaningful.
