

Happy Independence Day 2026

- Today, we celebrate the spirit of freedom, unity, and patriotism that defines our great nation.
- Let us honour the sacrifices of our freedom fighters and remember the values that shaped our journey as a free and democratic India.
- May we continue to work together with dedication, integrity, compassion, and responsibility towards building a stronger, progressive, and prosperous nation.
- Let the Tricolour inspire us to dream bigger, serve better, and contribute meaningfully to the growth of our country.
- Proud to be Indian. Proud to serve India.
